

Manuscript Title: _____

1. Originality & Publication Ethics

- The manuscript is original, has not been published previously, and is not under consideration by another journal.
- All authors comply with COPE and PERK ethical standards regarding research integrity and plagiarism.
- I am aware that the manuscript will be screened for plagiarism using professional software (e.g., iThenticate / Crossref Similarity Check) and may be rejected if significant overlap is detected.

2. Authorship & Contributions

- All authors have made significant contributions to the research and have approved the final version of the manuscript.
- Author contributions are clearly specified using the CRediT taxonomy (e.g., Conceptualization, Methodology, Software, etc.) in the manuscript.
- All co-authors have given their explicit consent for this submission.

3. Metadata & ORCID Compliance

- ORCID IDs for ALL authors are provided in the online submission system.
- Full names, affiliations (University, Faculty, Department, City, Country), and institutional emails in the portal match those in the manuscript metadata.
- The corresponding author is clearly designated with a valid institutional email address.

4. Double-Blind Peer Review Compliance

- The manuscript file is fully anonymized. All author names, affiliations, and contact details have been removed from the text and file properties (including document metadata and tracked changes) to ensure a fair review process.

5. Structure & Formatting Requirements

- The manuscript follows the journal template structure (from Introduction to Supplementary Materials), as specified in the Instructions for Authors.
- The manuscript strictly applies the predefined JAES Word styles (e.g., Heading 1, Heading 2, Normal, Reference-item) as indicated in the template's blue brackets.
- The text is written in clear, academic English and has been checked for grammatical and typographical errors.

6. Tables, Figures & Equations

- Tables are submitted in an editable format (Word/Excel), not as images, and include descriptive titles.
- Figures have a minimum resolution of 300 dpi and are uploaded as separate files in TIFF, BMP, or PNG format.
- Equations are numbered consecutively and formatted according to the template rules.

7. References & Data Transparency

- References follow APA bibliographic style with numerical citations, ordered by appearance.
- DOI numbers or URLs are provided for all references where available.
- A Data Availability Statement is included in the manuscript, regardless of whether data is shared or not.
- All funding sources are declared in the Acknowledgments section.

I hereby confirm that all statements in this checklist are true and accurate, and the manuscript complies with all JAES requirements.
