

SUBMISSION CHECK LIST

Please fulfill Submission check list and upload it **signed** along with paper submission.

Title of submitted manuscript:

CHECK	CONFIRM
The submission has not been previously published, is not under consideration by another journal, and will not be submitted elsewhere before the Editor-in-Chief makes a final decision.	
Full Names and Surnames of all authors (initials capitalized), with their full affiliations (University, Faculty, Department, Town, Country) and email address corresponding to the stated affiliation, are provided in the Metadata section of the JAES portal.	
All authors agree that JAES may retain their personal data (names, affiliations, emails) for publishing and archiving, in line with the JAES Privacy Statement, and that such data will not be shared with third parties without their consent prior to publication.	
If the manuscript has multiple authors, the corresponding author is clearly indicated, with a professional email address matching the stated institutional affiliation.	
The submission file is in Microsoft Word format, in English, with all author-identifying information removed ensuring a Double-Blind Review, and must follow the stylistic and bibliographic requirements outlined in the Instructions for Authors? <i>Recommended length is up to 10 pages. Additional pages are subject to increased costs.</i>	
Figures and tables are placed within the manuscript text at appropriate points. Figures are uploaded separately in high-resolution JPG format. Tables are submitted as editable files (Word or Excel), not as image files.	
If the manuscript results from research funded by state or international institutions, a separate Acknowledgments section must include the full project title, project ID number, and full name of the funding institution(s). If no funding was received, this must be stated explicitly.	
References are written in a separate section at the end of the paper in line with Instructions for Authors? <i>Where available, DOI number/URLs for the references has to be provided.</i>	
The manuscript is structured according to the journal's requirements and includes: <i>Introduction, Materials & Methods, Results & Discussion, Conclusions, Acknowledgments, References, Conflict of Interest Statement, Author Contributions, Availability Statement, and Supplementary Materials.</i>	
All co-authors have been informed of the submission and have given their consent.	

** Please check all CONFIRMED fields.*

I hereby confirm that all statements in the checklist are true and accurate.
